Ideas to boost your fundraising!

Host a Big Brew!
Check out the exclusive Big Brew resource pack and cake recipes on the St Clare website for ideas and guidance to help you host a St Clare afternoon tea.

Get seasonal!
Why not embrace the occasion and hold a season specific event... a Christmas, Easter or Halloween party and charge people to attend! Contact the fundraising team to arrange a donation bucket, for when people are feeling super generous!

Why not dress down...Or dress up!
Get your friends/co-workers involved in raising some money and hold a dress down Friday, or a fancy dress day! If everyone pays £2 or gives any donation, you'll be quids in!!

Roll up, Roll up, organise a raffle!
Ask friends, colleagues and local businesses to donate raffle prizes for your event. Sell raffle tickets and announce the winner at the end.

An evening of food and fun!
Contact buffet restaurants to host a charity dinner and invite all your friends and family to buy tickets. Many restaurants cater for charity nights and for a reduced price will let you hold a dinner with the proceeds going towards St Clare. Contact the fundraising team to get balloons and banners to decorate!

Out with the old... in with the donations!
Got some old bric-a-brac lying about that could use a loving home? Why not hold a garage sale and put all proceeds towards your event. Ever heard of a swap shop? Clear out your wardrobe and invite your friends round for an evening of selling and swapping pre-loved clothes.

Dig out your rubber gloves and soapy sponges – let's car wash!
Car washes are a great way to make money... Contact the fundraising team about getting hold of some marketing materials or just download the bunting template off our website and open up your driveway as a pop-up car wash!

Put your heads together!
Why not hold a quiz night at your local pub or village hall... charge people for entry and have fun finding out who is the brain box in your group of friends!
