Registered Charity No. 1063631

St Clare Hospice is proud to provide specialist palliative care and support to people who are living with a life-limiting illness, facing the end of their life or experiencing bereavement. This care is offered free of charge to everyone.

As a charity, St Clare relies on our local community to help us continue to provide our care. If you have Private Health Insurance you may be able to help.

How?

If you have private health insurance and are currently receiving care and/or support from St Clare Hospice, we may be able to request a donation from your insurer at no extra cost to you.

What do I need to do?

If you have private health insurance, please fill in the form overleaf and return it to a member of staff at St Clare Hospice.

What happens next?

We will write to your insurer asking for a donation. You don't need to do anything else.

How much will St Clare receive?

This will depend on your policy and your insurer because every case is different. If the claim is successful, we will write to you or your loved ones to let you know how much we received.

Which insurers are likely to donate?

We know the following insurers have donated to hospices:

- Aviva
- Axa Health
- Bupa
- CS Healthcare
- PruHealth
- Simply health
- The Exeter
- Vitality
- WPA

St Clare Hospice is a charity providing specialist palliative care to improve the lives of people living with a terminal or life-limiting illness in West Essex and the borders of East Hertfordshire.

Our approach gives patients and their families and carers the confidence to cope so that, together, they can enjoy the best possible quality of life, whether at home or in the Hospice. It costs more than £7.3 million a year to provide our vital services. With limited NHS funding, we need to fundraise most of this. We therefore rely on our local community to help us raise more than £14,000 every single day, so we can continue being there for local families facing one of the most difficult journeys in life.
